

Annual Corporate Budget & Financial Strategy 2026

Executive Summary

The 2026 annual financial plan projects total revenue of \$18.5M, representing 32% year-over-year growth. Capital expenditure budget is capped at \$1.8M primarily targeting cloud infrastructure, SOC 2 Type II audit compliance, and AI platform scaling.

Cash Flow & Runway

As of March 1, 2026, total cash and liquid equivalents stand at \$6.8M, representing 24 months of runway at current net burn rate of \$280,000/month. Break-even operating cash flow is targeted for Q4 2026.

Fiscal Controls & Delegated Authorities

Purchases over \$10,000 require Department Head and Finance Director approval. Purchases over \$50,000 require CEO sign-off. All contracts must include standard 30-day payment terms (Net-30).
